MURPHY ORDERS M'CARREN DEPOSED

William A. Doyle to Be Considered Leader.

FOR PATRONAGE PURPOSES

When it was seen that McCarren in-sisted on being a leader in Brooklyn instead of a lieutenant of Murphy his annihilation was ordered. Before Mr. annihilation was ordered. Before Mr. Murphy and his followers left this city for Albany on the 3:30 o'cleck train yesterday afternoon to attend the meeting of the Democratic state committee there today, it was said by men close to the Tammany chieftain that even though McCarren should attempt to rehabilitate himself by voting with Murphy in the committee today on the proposition have the carly State convention held. New York, such action on his part all not be sufficient to call off the sent that has been ordered against him.

To Count Noses.

Before leaving for Albany Senator McCarren, as chairman of the Kings county executive committee, issued a call for a special meeting of the committee, to be held on Tuesday night part in the tool. Before leaving for Albany Senator Mc Carren, as chalrman of the Kings county executive committee, issued a call for a special meeting of the committee, to be held on Tuesday night next in the Jefferson Building. He oesires this meeting to test his exact strength in the body and to ascertain definitely what inroads have been made into his forces. The intention on the part of Murphy to undermine McCarren, it is understood, was formed as long ago as January 12, when both Murphy and McCarren attended the meeting of the Democratic National Committee in Washington. At that time Murphy found that McCarren was determined to stand by the Parker movement in Washington. At that time Murphy found that McCarren was determined to stand by the Parker movement in the special meeting of the committee, and said the photographers had been admitted only on that condition.

"The Lord gives and the Lord hath taken away," quoted Senator Balley. "Then both plural marriage and cohabition.

"The both plural marriage and cohabitation.

"The both plural marriage and cohabitation are prohibited by the church, and you have violated both?" Inroads have been made into his forces.

The intention on the part of Murphy to undermine McCarren, it is understood, was formed as long ago as January 12, when both Murphy and McCarren attended the meeting of the Democratic National Committee in Washington, At that time Murphy found that McCarren was determined to stand by the Parker movement in spite of the wishes of Tammany Halk and from that moment, it is said by Murphy's friends, the Tammany leader commenced to work quietly for the setting up of a new lieutenant in Kings county. So quietly fid he go about it, however, that until the present week McCarren himself was unaware of the Murphy plan, just as the late leader in Brooklyn, Hugh McLaughlin, was unaware of Murphy's campaign to undermine him last fell, until McCarren, with the aid of Murphy, had actually taken over the leadership.

Murphy Has Five

Murphy Has Five.

It was a case of polygamy with each man accused, therefore, two thirds of the total income vote in addition to his own out of the seven Brooklyn members of the State committee, Murphy having the other five. Outside of those, the Tammany leader is confident of his power to command fifteen of the twenty-one votes in the Kings county executive committee of which McCarren is the chairman. In the State committee delegation from Brooklyn, James Shevlin, John L. Shez, William A. Doyle, Edward Glinnon, and Frank D. Creamer, the latter holding the proxy of Hugh McLaughlin, was is in Florida, are counted as solidly with Murphy, although practically all of them are the old-line leaders who opposed Murphy in the early stages of the late campaign, when the Tammany head insisted on the McClellan, Grout, and Fornes ticket.

Francis B. Clark Alleges That the Late Millionaire Owed Him Sum Named as Balance From Business Transaction.

Another phase of the litigation in commetcion with the settlement of the McKay estate was developed today when Francis B. SIX BOOKS FOR THE SICK

What I Learned After 30 Years

No money is wanted.

Simply select the book you need.

It is my experience as a specialist of 30 years. In the book I tell how at last I found a way to reach difficult, deep-seated diseases. Thirty years of earnest, ardent toll in hospitals and at bed sides made it possible for me to write these books.

The book tells how I perfected my prescription—Dr. Shoop's Restorative. How by scientific experiment I traced out the causes that bring on chronic diseases.

I found invariably that where there was a weakness, the inside nerves were weak. Where there was a lack of vitality, the vital nerves lacked power. Where weak organs were found, I always found weak nerves, Not the nerves commonly thought of, but the vital organs' nerves. The inside—the invisible nerves.

Th's was a revelation. Then my real success began. Then I combined ingredients that would strengthen, that would vitalize, these nerves.

That prescription I called a restrative. It is known the world over now as Dr. Shoop's Restorative. After that I did not fail to cure one case in each hundred. In the extremely difficult cases, my fallures for five years were one in each forty treated. I found cancer incurable. Cancer is for surgery, not medicine.

Then how to get this prescription to sick ones everywhere was my thought, I must announce it in the public press. But, thought I, will they realize the real truth of my discovery, the real power of Dr. Shoop's Restorative? Then a way came to me—like an inspiration. "I will offer it to the sick on trial. Then they will know I am sincere—that my prescription is unusual."

I wrote a reliable druggist in each city and village in America. They agreed to co-operate with me. Now by any sick one, Dr. Shoop's Restorative.

to the sick on trial. Then they will know I am sincere—that my prescription is unusual."

I wrote a reliable druggist in each city and village in America. They agreed to co-operate with me. Now by any sick one, Dr. Shoop's Restorative can be taken at my risk. For a full month I will let you use it entirely at my risk.

Send no money. Just write me for the book you need. When I send it I will tell you of a druggist near by who will permit the month's trial. Use the Restorative a month. Then decide. If you say to the druggist, "It did not help me." that will relieve you of any expense whatever. He will bill the cost to me. This is my way of clearing your mind of all doubt as to what Dr. Shoop's Restorative can do.

No matter how prejudiced, you cannot dispute this absolute security I offer. You cannot resist an offer like this if you are at all sick. If you have a weakness, write me. If you can't do things like you used to do them, tell me about it. Write in confidence. As a physician I will tell you a way to help.

"Get my book now—today. Address Dr. Shoop. Box 5766, Racine, Wis. Mild cases, not chronic, are often cured by one or two bottles. At druggists".
